Ranking System:

Ranks by judges are tallied. Couples with lower (better) total rankings are placed higher.  
For couples who only danced in preliminary rounds, couples with the greater number of preliminary votes are placed higher.

Tiebreaker Procedure for categories:

Tally all first place votes. The couple with more first place votes is ranked higher.  
If still tied, tally all second place votes. The couple with more second place votes is ranked higher.

If still tied, repeat procedure for third place votes, then fourth place, and so on, until one couple has more votes in a particular ranking.

If still tied, the couple with more preliminary round votes is ranked higher.

If still tied, the couple who ranked higher in the second dance of the category (Foxtrot, Cha Cha, WCS) is ranked higher for the category, using this tiebreaker procedure, if needed.

If still tied, a tie is declared.

Tiebreaker Procedure for Overall and Lead/Follow:

Tally all first place finishing ranks of the three categories. The couple/lead/follow with more first place finishes is ranked higher.

If still tied, tally all second place finishes. The couple/lead/follow with more second place finishes is ranked higher.

If still tied, repeat procedure for third place finishes, then fourth place, and so on, until one couple/lead/follow has more higher placed finishes.

If still tied, the couple/lead/follow with the better finish in a category with more participants is ranked higher.

If still tied, a tie is declared.
